File Copy - TSM

14th October 2020

Dear Sir/Madam

PLANNING APPLICATION CONSULTATION

Please take time to read this letter as it relates to an application near to your property.

Application No: Y0341.20
Address: 11 JERSEY ROAD RAINHAM
Proposal: Single Storey rear extension with an overall depth of 6m, a maximum height of 2.70m, and an eaves height of 2.70m. (PRIOR APPROVAL)

The Local Planning Authority have received notification of the above proposal on 12th October 2020. Should you wish to object to this application you will need to do so in writing by 4th November 2020, as the Local Planning Authority are required to issue a written notice to the developer before 23rd November 2020.

This process is set out by condition A.4 of Schedule 2 Part 1 Class A of The Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended).

It is important that you understand the following implications of whether or not you submit a representation to the Local Planning Authority about the proposed development.

- * If ANY of the owners or occupiers of any adjoining premises object in writing to the proposed development, then the Local Planning Authority WILL assess the impact of the proposed development on the amenity of any adjoining premises, and must take into account all representations made as a result of this consultation letter. The Local Planning Authority will then decide either to give or refuse prior approval to the developer for the proposed development.
- * If NONE of the owners or occupiers of any adjoining premises object in writing to the proposed development, then the Local Planning Authority WILL NOT assess the impact of the proposed development on the amenity of any adjoining premises. The Local Planning Authority will then confirm to the developer that prior approval is not required for the proposed development.
- * Copies of the submission can be viewed at: www.havering.gov.uk/planning

If you wish to submit an objection, then please ensure that:-

- * (a) Your representation is received by the Local Planning Authority by 4th November 2020
- (b) Your representation clearly states your name and address. Please note that if the address that you state is not the address of one of the adjoining premises, then the Local Planning Authority will assume that you are not the owner or occupier of one of the adjoining premises (unless you clearly state otherwise)
- (c) Given the situation with Coronavirus we would prefer to receive your comment electronically by emailing us at Planning@haverling.gov.uk or you can comment via the website. If you are unable to send your comments electronically, please send them to the above address.

Yours faithfully

Planning Control
