4. Description of Proposed Works

Please describe the proposed works:

The proposal is to build first floor extensions over the existing single storey extensions to the north and rear, together with a single storey extension to the rear of the building.
The rear extension brings forward the rendered gable end of the original house with subservient side extensions in brick to compliment the previous 2 storey extension to the South.
The new rear single storey extension is a simple rendered box, detailed to be seen as a modern intervention.
