Details of the pre-application advice received

Advice given:

- The proposal discussed during the Duty Planner meeting is generally acceptable, except for issues with the first floor rear extension combined with the two storey side extension built to the boundary.
- Extensions to a house are assessed against all planning policy, but specifically you should refer to Havering's Residential Extensions and Alterations SPD 2011 (see attached).
- The Residential Extensions and Alterations SPD states that that first floor rear extensions should be setback away from the common boundary with the attached neighbour by 2m with a depth no greater than 3m. There should be a similar setback away from the non-attached neighbour.
- In this instance the first floor rear extension is combined with the two storey side extension and built to the boundary. The development would adjoin the rear garden of the adjoining neighbour and two detached garages at this point. There may be concerns for the visual impact of the overall bulk for the combined side and rear extension at first floor level. This section of the development would be seen from the highway as well as the rear garden scene. It is recommended to setback the first floor rear extension away from the side boundary to reduce the overall bulk.

14. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.
