APPLICATION NO: P1945.20

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **REFUSE PLANNING PERMISSION** for the following development :

Proposal: Change of Use from Use Class B2 (General Industrial) to Use Class B8 (Storage or Distribution)

Location: County Service Station
Essex Gardens
Hornchurch

The above decision is based on the details in drawing(s):

ESL EPS RM11 3EH PL01 'Proposed Floor Plan'

ESL EPS RM11 3EH PL02 'Existing Floor Plan'

ESL EPS RM11 3EH PL03 'Existing and Proposed East and West Elevations'

ESL EPS RM11 3EH PL04 'Existing and Proposed North and South Elevations'

for the following reason(s):

- 1** The proposal fails to provide detailed information regarding parking, manoeuvring, access and waiting requirements of vehicles visiting to the site and the detailed nature and operation of the storage and distribution use applied for. In the absence of this information, it is considered that the proposal, by reason of increased activity and demand for parking, together with the likely overspill impacts of vehicles waiting and parking on the street, results in harm to the functioning of the highway and creates conditions detrimental to neighbouring residential amenity, contrary to Policies DC32 and DC61 of LDF Core Strategy.
- 2** The proposal fails to provide sufficient detail regarding the nature of the use and the hours of operation. In the absence of such information and having regard to representations received it is considered that the use would, by reason of the nature of the proposal, the intensity of noise and activity and the likely excessive hours of operation in such close proximity to residential properties create unacceptable levels of noise and disturbance to the detriment of residential amenity, arising from vehicle movements, and the general activities and processes associated with this uses. The proposal is therefore contrary to Policies DC55 and DC61 of LDF Core Strategy.

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if there is a current or subsequent enforcement notice served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.
