Thank you for your application, which we received on 13th May 2022. Your application has been confirmed as valid from 13th May 2022 and consultations will now be carried out.

To assist in the assessment of your application, if possible please email timed and dated photographs showing the site from front, side and rear; and its relationship to neighbouring properties direct to your appointed case officer using the contact details at the top of this letter. This will not remove the need for a site inspection in every case but in a number of cases may enable your application to be decided without a site visit.

Some development, including all applications with a net gain in residential units, will be liable for the Havering and Mayor CIL. Further information relating to CIL, can be found on the following website:

As part of the planning application process, we collect and process personal data. Details on what information we collect and how we use it is available online at [www.havering.gov.uk/dataprotection](http://www.havering.gov.uk/dataprotection)

Yours faithfully
