APPLICATION NO: P0698.22

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: Construction of two storey building to create 5 x 2 bedroom and 1 x 1 bedroom flats with associated car parking and amenity areas

Location: 12 Hog Hill Road
Collier Row

The above decision is based on the details in drawing(s):

2885/30

SLP

2885/31

2885/01

subject to compliance with the following condition(s):

Note to Applicants:

Please take the time to read the conditions stated below carefully. Some may require you to seek the Council's approval prior to works beginning on site. The approval process can take a further 8 weeks from the date of submission and you are advised to incorporate this into your timetable.

Please also check the informatives below to verify whether the scheme is liable for the Mayoral Community Infrastructure Levy. If the scheme is liable, **you are required to give notice of commencement in advance** so that a Demand Notice can be sent to you or any other person(s) that has/have assumed liability. The Levy is payable within 60 days of commencement. **If you are intending to claim self-build, social housing or charitable exemption, you must do this before development commences otherwise any exemption request will be disqualified.**

- 1** The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans (as set out on page one of this decision notice).

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted.

- 3** No works shall take place in relation to any of the development hereby approved until a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby occupiers is submitted to and approved in writing by the Local Planning Authority. The Construction Method statement shall include details of:

- a) parking of vehicles of site personnel and visitors;
- b) storage of plant and materials;
- c) dust management controls;
- d) measures for minimising the impact of noise and ,if appropriate, vibration arising from construction activities;
- e) predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
- f) scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authorities;
- g) siting and design of temporary buildings;
- h) scheme for security fencing/hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
- i) details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded.

And the development shall be carried out in accordance with the approved scheme and statement.

Reason:-

Insufficient information has been supplied with the application in relation to the proposed construction methodology. Submission of details prior to commencement will ensure that the method of construction protects residential amenity.

- 4** No above ground works shall take place in relation to any of the development hereby approved until samples of all materials to be used in the external construction of the buildings are submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the materials to be used. Submission of samples prior to commencement will ensure that the appearance of the proposed development will harmonise with the character of the surrounding area..

- 5** No above ground works shall take place in relation to any of the development hereby approved until there has been submitted to and approved by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and shrubs on the site, and details of any to be retained, together with measures for the protection in the course of development. All planting, seeding or turfing comprised within the scheme shall be carried out in the first planting season following completion of the development and any trees or plants which within a period of 5 years from completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local Planning Authority.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the hard and soft landscaping proposed. Submission of a scheme prior to commencement will ensure that the development achieves a satisfactory level of landscape quality.

- 6** Notwithstanding the details shown on submitted drawings no building shall be occupied or use commenced until refuse and recycling facilities are provided in accordance with details which shall previously have been submitted to and approved in writing by the Local Planning Authority. The refuse and recycling facilities shall be permanently retained thereafter.

Reason:-

Insufficient information has been supplied with the application to judge how refuse and recycling will be managed on site. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect the amenity of occupiers of the development and also the locality generally.

- 7** Notwithstanding the details shown on submitted drawings no building shall be occupied or use commenced until cycle storage is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. The cycle storage shall be permanently retained thereafter.

Reason: Insufficient information has been supplied with the application to demonstrate what facilities will be available for cycle parking. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use is in the interests of providing a wide range of facilities for non-motor car residents and sustainability.

- 8** No building shall be occupied or use commenced until external lighting of the access road is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. The lighting shall be provided and operated in strict accordance with the approved scheme.

Reason:- Insufficient information has been supplied with the application to judge the impact arising from any external lighting required in connection with the building or use. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect residential amenity.

- 9** Hard surface porous/run-off - application site - All hard surfaces hereby approved as part of the development (including any sub-base) shall be made of porous materials or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the application site.

Reason: In order to ensure no water run-off from the hard surface which would contribute to risk of flooding.

- 10** Prior to first occupation of the development hereby approved, details of all proposed walls, fences and boundary treatment shall be submitted to, and approved in writing by, the Local Planning Authority. The boundary development shall then be carried out in accordance with the approved details and retained permanently thereafter to the satisfaction of the Local Planning Authority.

Reason:

Insufficient information has been supplied with the application to judge the appropriateness of any boundary treatment. Submission of this detail prior to commencement will protect the visual amenities of the development and prevent undue overlooking of adjoining property.

- 11** All building operations in connection with the construction of external walls, roof, and foundations; site excavation or other external site works, including any works of demolition; works involving the use of plant or machinery; the erection of scaffolding; the delivery of materials; the removal of materials and spoil from the site, and the playing of amplified music shall only take place between the hours of 8.00am and 6.00pm Monday to Friday, and between 8.00am and 1.00pm on Saturdays and not at all on Sundays and Bank Holidays/Public Holidays.

Reason: To protect residential amenity.

- 12** Prior to the first occupation of the proposed dwellings hereby approved, the area set aside for car parking shall be laid out and surfaced to the satisfaction of the Local Planning Authority and retained permanently thereafter for the accommodation of vehicles visiting the site and shall not be used for any other purpose.

Reason: To ensure that car parking accommodation is made permanently available to the standards adopted by the Local Planning Authority in the interest of highway safety, and that the development accords with Policy 24 of the Havering Local Plan.

- 13** Building Regulations - All dwellings hereby approved shall be constructed to comply with Part M4(2) of the Building Regulations - Accessible and Adaptable Dwellings.

Reason: In order to comply with Policy 7 of the Havering Local Plan and Policy D7 of the London Plan.

- 14** Water efficiency - All dwellings hereby approved shall comply with Regulation 36 (2)(b) and Part G2 of the Building Regulations - Water Efficiency.

Reason: In order to comply with Policy SI 5 of the London Plan..

- 15** Before the development here permitted is first occupied details of privacy screening to be installed/and finish of terraced areas hereby permitted shall be agreed in writing with the Local Planning Authority. Such measures as agreed shall be maintained permanently thereafter.

Reason:- In the interest of the amenity of surrounding and future occupiers of the development and matters of design.

- 16** Notwithstanding the details shown on submitted plans before the dwellings hereby permitted are first occupied, provision shall be made within the site for eight car parking spaces and thereafter this provision shall be made permanently available for use, unless otherwise agreed in writing by the Local Planning Authority. Space 9 shown on drawing no. 2885/31 shall be omitted.

Reason:- To ensure that adequate car parking provision is made off street in the interests of highway safety.

- 17** Prior to the first occupation of the proposed dwellings hereby approved, details of how the parking area would be secured and how access would be provided to future occupants shall be submitted to and approved in writing by the Local Planning Authority. Such as measures as agreed shall be retained permanently thereafter unless otherwise agreed in writing with the Local Planning Authority.

Reason: - In the interest of amenity of future occupants.

INFORMATIVE(S)

- 1** The proposal is liable for the Mayor of London Community Infrastructure Levy (CIL). The Mayoral CIL levy rate for Havering is 25/m² and is chargeable for each additional square metre of residential gross internal [floor] (GIA). Based upon the information supplied with the application, £12,000 would be payable due to result in new properties with a combined gross internal floor area of 480m² of GIA, however this may be adjusted subject to indexation.

The proposal is also liable for Havering Council's CIL. Havering's CIL charging rate for residential is £125m² (Zone A for each additional square metre of GIA. Based upon the information supplied with the application, £60,000 would be payable, subject to indexation.

These charges are levied under s.206 of the Planning Act 2008. CIL is payable within 60 days of commencement of development. A Liability Notice will be sent to the applicant (or anyone else who has assumed liability) shortly and you are required to notify the Council of the commencement of the development before works begin. Further details with regard to CIL are available from the Council's website. You are also advised to visit the planning portal website where you can download the appropriate document templates at

IMPORTANT - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 5th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
