

LONDON BOROUGH OF HAVERING**TOWN AND COUNTRY PLANNING ACT 1990****AGENT**

Ms Henrietta Walters
18 Chesterton Terrace
London
E13 0DG

APPLICANT

Clement Ojediran
Town Hall, Main Road
Housing Services
Romford
RM5 3HJ

APPLICATION NO: P0049.22

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: Demolition of the existing garages and erection of a part single, part 2 x storey building to provide 6 x 1B1P supported living flats and 1 x staff accommodation flat with provision of off-street parking and amenity space.

New Noise Report Recived 6.07.22

Location: MOWBRAYS CLOSE GARAGE BLOCK
MOWBRAYS CLOSE
ROMFORD

The above decision is based on the details in drawing(s):

KP Acoustics Planning Compliance Report 24420.PCR.02

Flood Risk and Drainage Strategy 15795A-FRA01

subject to compliance with the following condition(s):

Note to Applicants:

Please take the time to read the conditions stated below carefully. Some may require you to seek the Council's approval prior to works beginning on site. The approval process can take a further 8 weeks from the date of submission and you are advised to incorporate this into your timetable.

Please also check the informatives below to verify whether the scheme is liable for the Mayoral Community Infrastructure Levy. If the scheme is liable, **you are required to give notice of commencement in advance** so that a Demand Notice can be sent to you or any other person(s) that has/have assumed liability. The Levy is payable within 60 days of commencement. **If you are intending to claim self-build, social housing or charitable exemption, you must do this before development commences otherwise any exemption request will be disqualified.**

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans (as set out on page one of this decision notice).

Reason:-

For the avoidance of doubt and to ensure that the development is carried out as approved.

- 3 No above ground works shall take place in relation to any of the development hereby approved until full details of doors and windows and samples of all materials including rainwater goods to be used in the construction of the extension(s) hereby permitted are submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the doors, windows, materials and rainwater goods to be used. Submission of samples prior to commencement will safeguard the appearance of the building and the character of the immediate area.

- 4 All hard surfaces hereby approved as part of the development (including any sub-base) shall be made of porous materials or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the application site.

Reason:-

In order to ensure no water run-off from the hard surface which would contribute to risk of flooding.

- 5** No building shall be occupied or use commenced until screen fencing is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. The fencing shall be permanently retained and maintained thereafter.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of any boundary treatment. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect the visual amenities of the development and prevent undue overlooking of adjoining property.

- 6** No above ground works shall take place in relation to any of the development hereby approved until details of all proposed walls, fences and boundary treatment shall be submitted to, and approved in writing by, the Local Planning Authority. The boundary development shall then be carried out in accordance with the approved details and retained permanently thereafter to the satisfaction of the Local Planning Authority.

Reason:

Insufficient information has been supplied with the application to judge the appropriateness of any boundary treatment. Submission of this detail prior to commencement will protect the visual amenities of the development and prevent undue overlooking of adjoining property.

- 7** No above ground works shall take place in relation to any of the development hereby approved until there has been submitted to and approved by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and shrubs on the site, and details of any to be retained, together with measures for the protection in the course of development. All planting, seeding or turfing comprised within the scheme shall be carried out in the first planting season following completion of the development and any trees or plants which within a period of 5 years from completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local Planning Authority.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the hard and soft landscaping proposed. Submission of a scheme prior to commencement will ensure that the development achieves a satisfactory level of landscape quality.

- 8 Before the building(s) hereby permitted is first occupied, provision shall be made within the site for 4 car parking spaces and thereafter this provision shall be made permanently available for use, unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To ensure that adequate car parking provision is made off street in the interests of highway safety.

- 9 No works shall take place in relation to any of the development hereby approved until a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby occupiers is submitted to and approved in writing by the Local Planning Authority. The Construction Method statement shall include details of:
- a) parking of vehicles of site personnel and visitors;
 - b) storage of plant and materials;
 - c) dust management controls;
 - d) measures for minimising the impact of noise and ,if appropriate, vibration arising from construction activities;
 - e) predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
 - f) scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authorities;
 - g) siting and design of temporary buildings;
 - h) scheme for security fencing/hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
 - i) details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded;
 - j) details of a nominated developer/resident liaison representative with an address, contact telephone number and email address to be circulated to those residents consulted on the application by the developers representatives. This person will act as a first point of contact for residents who have any problems or questions related to the ongoing development.

And the development shall be carried out in accordance with the approved scheme and statement.

Reason:-

Insufficient information has been supplied with the application in relation to the proposed construction methodology. Submission of details prior to commencement will ensure that the method of construction protects residential amenity.

- 10** All building operations in connection with the construction of external walls, roof, and foundations; site excavation or other external site works; works involving the use of plant or machinery; the erection of scaffolding; the delivery of materials; the removal of materials and spoil from the site, and the playing of amplified music shall only take place between the hours of 8.00am and 6.00pm Monday to Friday, and between 8.00am and 1.00pm on Saturdays and not at all on Sundays and Bank Holidays/Public Holidays.

Reason:-

To protect residential amenity.

- 11** Before the development hereby permitted is first commenced, vehicle cleansing facilities to prevent mud being deposited onto the public highway during construction works shall be provided on site in accordance with details to be first submitted to and approved in writing by the Local Planning Authority. The approved facilities shall be retained thereafter and used at relevant entrances to the site throughout the duration of construction works. If mud or other debris originating from the site is deposited in the public highway, all on-site operations shall cease until it has been removed.

The submission will provide;

- a) A plan showing where vehicles will be parked within the site to be inspected for mud and debris and cleaned if required. The plan should show where construction traffic will access and exit the site from the public highway.
- b) A description of how the parking area will be surfaced, drained and cleaned to prevent mud, debris and muddy water being tracked onto the public highway;
- c) A description of how vehicles will be checked before leaving the site - this applies to the vehicle wheels, the underside of vehicles, mud flaps and wheel arches.
- d) A description of how vehicles will be cleaned.
- e) A description of how dirty/ muddy water be dealt with after being washing off the vehicles.
- f) A description of any contingency plan to be used in the event of a break-down of the wheel washing arrangements.

Reason:-

Insufficient information has been supplied with the application in relation to wheel washing facilities. Submission of details prior to commencement will ensure that the facilities provided prevent materials from the site being deposited on the adjoining public highway, in the interests of highway safety and the amenity of the surrounding area.

- 12** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 or any superseding legislation, no window or other opening (other than those shown on the submitted and approved plan,) shall be formed in the flank wall(s) of the building(s) hereby permitted, unless specific permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In order to ensure a satisfactory development that will not result in any loss of privacy or damage to the environment of neighbouring properties which exist or may be proposed in the future.

- 13** The buildings shall be constructed so as to provide sound insulation of 45 DnT, w + Ctr dB (minimum value) against airborne noise.

Reason:-

To prevent noise nuisance to adjoining properties.

- 14** Before any above ground works commence, a scheme for any new plant or machinery shall be submitted to the local planning authority to achieve the following standard. Noise levels expressed as the equivalent continuous sound level LAeq (1 hour) when calculated at the boundary with the nearest noise sensitive premises shall not exceed LA90 -10dB and shall be maintained thereafter to the satisfaction of the Local Planning Authority.

Reason:-

To prevent noise nuisance to adjoining/adjacent properties.

- 15** No building shall be occupied or use commenced until external lighting is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. The lighting shall be provided and operated in strict accordance with the approved scheme.

Reason:-

Insufficient information has been supplied with the application to judge the impact arising from any external lighting required in connection with the building or use. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect residential amenity.

- 16** No above ground works shall take place in relation to any of the development hereby approved until a full and detailed application for the Secured by Design award scheme is submitted to the Local Planning Authority, setting out how the principles and practices of the Secured by Design Scheme are to be incorporated. Once approved in writing by the Local Planning Authority in consultation with the Metropolitan Police Designing Out Crime Officers, the development shall be carried out in accordance with the agreed details.

Reason:-

Insufficient information has been supplied with the application to judge whether the proposals meet Secured by Design standards. Submission of a full and detailed application prior to commencement is in the interest of creating safer, sustainable communities and to reflect policy in the NPPF.

- 17** No building shall be occupied or use commenced until cycle storage is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. The cycle storage shall be permanently retained thereafter.

Reason:-

Insufficient information has been supplied with the application to demonstrate what facilities will be available for cycle parking. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use is in the interests of providing a wide range of facilities for non-motor car residents and sustainability.

- 18** No building shall be occupied or use commenced until details of refuse and recycling facilities showing the design, location and external appearance have been submitted to and approved in writing by the Local Planning Authority. The approved enclosure(s) shall be provided before occupation of the building commences and thereafter permanently retained.

Reason:-

Insufficient information has been supplied with the application to judge how refuse and recycling will be managed on site and to meet the required distance from the point of collection. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect the amenity of occupiers of the development and also the locality generally.

- 19** All dwellings hereby approved shall be constructed to comply with Part M4(2) of the Building Regulations - Accessible and Adaptable Dwellings.

Reason: In order to comply with national optional technical standards as required by Policy D7 of the London Plan.

- 20** All dwellings hereby approved shall comply with Regulation 36 (2)(b) and Part G2 of the Building Regulations - Water Efficiency.

Reason: In order to comply with national optional technical standards as required by Policy SI5 of the London Plan.

- 21** Notwithstanding the provisions of the Town and Country Planning (Use Classes) Order 1987 (as amended) the supported living flats hereby permitted shall be Use Class C2 only, and shall be used for no other purpose(s) whatsoever including any other use in Class (C2) of the Order, unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To restrict the use of the premises to one compatible with the surrounding area and to enable the Local Planning Authority to exercise control over any future use not forming part of this application.

- 22** Before any above ground works commence, details of a scheme shall be submitted to and approved in writing by the local planning authority which specifies the provisions to be made for the control of noise emanating from the site. Such scheme as may be approved shall be implemented prior to first occupation and thereafter retained in accordance with such details.

Reason:-

To prevent noise nuisance to adjoining/adjacent properties.

- 23** No non-road mobile machinery (NRMM) shall be used on the site unless it is compliant with the NRMM Low Emission Zone requirements for Greater London (or any superseding requirements) and until it has been registered for use on the site on the NRMM register (or any superseding register).

Reason:-

To ensure that air quality is not adversely affected by the development in line with Local Plan policies 33 and 34, London Plan policy SI 1 and the Mayor's SPG: The Control of Dust and Emissions During Construction and Demolition.

- 24** If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the local planning authority) shall be carried out until a remediation strategy detailing how this unsuspected contamination shall be dealt with has been submitted to and approved in writing by the local planning authority. The remediation strategy shall be implemented as approved.

Following completion of the remediation works as mentioned in (a) above, a 'Verification Report' must be submitted demonstrating that the works have been carried out satisfactorily and remediation targets have been achieved.

Reason:-

To ensure that any previously unidentified contamination found at the site is investigated and satisfactorily addressed in order to protect those engaged in construction and occupation of the development from potential contamination.

- 25** During construction of the development hereby permitted, any trees within or near to the site shall be protected in accordance with the requirements of BS 5837 (2012) 'Trees in Relation to Design, Demolition and Construction'; and during construction of the development hereby permitted, the trees located on and adjacent to (Mowbray's Close Garage Block, Mowbray's Close) shall not be lopped or felled without the written consent of the local planning authority. The protection measures shall be implemented prior to any below ground works and shall be retained for the entire period of the duration of any work at the site, in connection with the development hereby permitted.

Reason:-

In order to maintain the existing vegetation at the site, which makes an important contribution to the character of the area, and to accord with Policy 27 of the Council's Local Plan.

- 26** Before the development hereby permitted commences at the site, an Arboricultural Method Statement in accordance with the requirements of BS 5837 (2012) 'Trees in Relation to Design, Demolition and Construction' for all the trees located at and adjacent to Mowbray's Close Garage Block, Mowbray's Close shall be submitted to and approved in writing by the Local Planning Authority. The protection measures as approved shall be undertaken at the site before any work in connection with the development hereby permitted commences at the site, and shall be retained for the entire period of the duration of any work at the site, in connection with the development hereby permitted, within the fence or other means of enclosure surrounding the trees, no activities associated with building operations shall take place unless previously agreed in writing by the Local Planning Authority.

Reason:-

In order to maintain the existing vegetation at the site, which makes an important contribution to the character of the area, and to accord with Policy 27 of the Council's Local Plan.

- 27 The proposed west facing windows on the rendered element serving the first floor staff accommodation unit shall be permanently glazed with obscure glass not less than LEVEL 4 on the standard scale of obscurity and shall thereafter be maintained.

Reason:-

In the interests of privacy.

INFORMATIVE(S)

- 1 Statement Required by Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015: In accordance with paragraph 38 of the National Planning Policy Framework 2021, improvements required to make the proposal acceptable were negotiated with the agent to including changes to layout of the car park, cycle store, sensory garden, staircase, kitchen, storeroom, rooflights and inclusion of photovoltaic panels. This information was subsequently submitted on the 17/06/2022 and the 08/08/22.

- 2 The proposal is liable for the Mayor of London Community Infrastructure Levy (CIL). The Mayoral CIL levy rate for Havering is £25/m² and is chargeable for each additional square metre of new residential gross internal [floor] (GIA). Based upon the information supplied with the application, £11,775. would be payable due to result in new residential floorspace with 308m² of net additional GIA, however this may be adjusted subject to indexation.

The proposal is also liable for Havering Council's CIL. Havering's CIL charging rate for residential is £125m² (Zone A) for each additional square metre of new GIA. Based upon the information supplied with the application, £58,875. would be payable, subject to indexation.

These charges are levied under s.206 of the Planning Act 2008. CIL is payable within 60 days of commencement of development. A Liability Notice will be sent to the applicant (or anyone else who has assumed liability) shortly and you are required to notify the Council of the commencement of the development before works begin. Further details with regard to CIL are available from the Council's website. You are also advised to visit the planning portal website where you can download the appropriate document templates at

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whatto submit/cil>

- 3 Changes to the public highway (including permanent or temporary access)
- Planning approval does not constitute approval for changes to the public highway. Highway Authority approval will only be given after suitable details have been submitted considered and agreed. If new or amended access is required (whether temporary or permanent), there may be a requirement for the diversion or protection of third party utility plant or highway authority assets and it is recommended that early involvement with the relevant statutory undertaker takes place. The applicant must contact Engineering Services on 01708 433751 to discuss the scheme and commence the relevant highway approvals process. Please note that unauthorised work on the highway is an offence.

- 3** Highway legislation
- The developer (including their representatives and contractors) is advised that planning consent does not discharge the requirements of the New Roads and Street Works Act 1991 and the Traffic Management Act 2004. Formal notifications and approval will be needed for any highway works (including temporary works of any nature) required during the construction of the development. Please note that unauthorised work on the highway is an offence.

Temporary use of the public highway

- The developer is advised that if construction materials are proposed to be kept on the highway during construction works then they will need to apply for a licence from the Council. If the developer required scaffolding, hoarding or mobile cranes to be used on the highway, a licence is required and Street Management should be contacted to make the necessary arrangements. Please note that unauthorised use of the highway for construction works is an offence.

Surface water management and flood risk mitigation

- The developer is advised that surface water from the development in both its temporary and permanent states should not be discharged onto the highway. Failure to prevent such is an offence.

- 4** Before occupation of the residential/ commercial unit(s) hereby approved, it is a requirement to have the property/properties officially Street Named and Numbered by our Street Naming and Numbering Team. Official Street Naming and Numbering will ensure that that Council has record of the property/properties so that future occupants can access our services. Registration will also ensure that emergency services, Land Registry and the Royal Mail have accurate address details. Proof of having officially gone through the Street Naming and Numbering process may also be required for the connection of utilities. For further details on how to apply for registration see:

<https://www.havering.gov.uk/Pages/Services/Street-names-and-numbering.aspx>

IMPORTANT - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 5th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
