Proposal is not permitted development due to the proposed extension being more than half the width of the original dwelling (where there is a staggered original rear wall or where the proposal extends beyond the rear wall). Even with the intent to demolish the furthest forward rear wall, case law advises that the 'original' rear wall is the element to be taken into consideration at the time of validation.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
