Details of the pre-application advice received

Following the refusal of a previous application for a single storey side extension (ref P1871.22) the planning officer said that in order to obtain approval for this side extension, the width must be reduced by 1m, hence a 4m wide extension is now proposed (from the previous 5m).
The front should be set back 0.5m as it initially was.
The proposed side extension can go as far back as the approved 3m rear extension.
The roof can be a flat roof to match the approved 3m rear extension.
These requirements have now all been complied with in the revised plans SE/52SHD/02 submitted with this application.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
