APPLICATION NO: P0699.23

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **REFUSE PLANNING PERMISSION** for the following development :

Proposal: Single storey front, side, and rear extensions, and conversion of roof space to habitable use with roof enlargement including front., side and rear dormer windows with juliette balconies and roof lights.
Revised Description

Location: 2 Beverley Gardens
Hornchurch

The above decision is based on the details in drawing(s):

for the following reason(s):

- 1 The proposed roof alteration including the crowned roof and dormer windows, by reason of its excessive scale, bulk, mass and top heavy appearance would appear as an unacceptably dominant and visually intrusive feature in the street scene and rear garden environment harmful to the appearance of the surrounding area contrary to Policy 26 of the Havering Local Plan, D4 of the London Plan, Emerson Park Policy Area and the Residential Extensions and Alterations Supplementary Planning Documents.
- 2 The proposed development would, by reason of its position and proximity to neighbouring properties cause overlooking and loss of privacy which would have a serious and adverse effect on the living conditions of adjacent occupiers, contrary to Policy 7 of the Havering Local Plan and Havering's Residential Extensions and Alterations Supplementary Planning Document.
- 3 The proposed development by reason of its excessive scale, bulk and position close to the boundary of the site would appear dominant as well as being an intrusive and un-neighbourly development, which would have an adverse effect on the amenity of adjacent neighbours including a loss of outlook contrary to the Residential Extensions and Alterations Supplementary Planning Document and Policies 7 and 26 of the Local Plan.

INFORMATIVE(S)

- 1 For Residential Development Only

Please be advised that approval of this application from 1st September 2019 (either by London Borough of Havering, or subsequently by PINS if allowed on appeal following a refusal by London Borough of Havering) will attract a liability payment of £19,650 plus indexation in Community Infrastructure Levy (CIL). This charge has been levied under s.206 of the Planning Act 2008 and includes both the Mayor of London's CIL and Havering Council's CIL.

London Borough of Havering, as CIL collecting authority, has responsibility for the collection of the Mayoral CIL, in addition to Havering's CIL, on commencement of the development.

Your proposal is subject to a CIL Liability Notice indicating a levy of £19,650 plus indexation for the application, based on the Mayoral CIL levy rate for Havering of £25/sq.m plus Havering's charging rate for residential of £125/sq.m (Zone A) and the floorspace of 131 square metres.

You are advised to visit the planning portal website where you can download the appropriate document templates.

GENERAL DEVELOPMENT PROCEDURE ORDER 1995

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at

www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and

Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
