It was agreed the 1st floor extension could not be more than 3m.
The roof to the first floor extension could not be gable ended and had to have a hip to be in line with haverings policy.
It was advised I submit a design and access statement to support my case to go out 6m for the proposed extension as to the existing buildings along the boundary line already go out more than 6m so a 6m extension would not be imposing on the neighbours.
