APPLICATION NO: P0813.23

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **REFUSE PLANNING PERMISSION** for the following development :

Proposal: Conversion of single storey outbuilding to 1 x 2-bed apartment
Location: REAR OF 60 CROW LANE
Romford

The above decision is based on the details in drawing(s):

010 (Rev D)

for the following reason(s):

- 1 Due to the physical constraints of the layout of the existing outbuilding and proximity to the adjacent commercial uses the proposed conversion to a dwelling would fail to provide an adequate provision of private amenity space to a sufficient standard, to the detriment of future occupiers contrary to Policies 7, 10 and 26 of the Havering Local Plan and Policy D6 of the London Plan.
- 2 The proposed dwelling, by reason of its proximity to neighbouring commercial uses and its design and layout, including the proximity of the kitchen, private amenity space and the second bedroom to areas used for vehicle storage would be likely to incur unreasonable adverse amenity impacts by reason of noise and disturbance and vehicular activity, leading to a poor quality living environment to the detriment of the amenity of future occupiers, contrary to Policy 7 of the Havering Local Plan.
- 3 The proposed outbuilding conversion would result in a dwelling, that by reason of its siting,

layout, design and configuration would not provide adequate outlook for the proposed rear habitable rooms specifically the kitchen and second bedroom and would fail to provide an acceptable degree of amenity for future occupants contrary to Policies 7, 26 of the Havering Local Plan and Policy D6 of the London Plan.

- 4 The proposed development would, by reason of the inadequate on site car parking provision, result in unacceptable overspill onto the adjoining roads to the detriment of highway safety and residential amenity contrary to Policy 24 of the Havering Local Plan.

INFORMATIVE(S)

- 1 Statement Required by Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015: Consideration was given to seeking further amendments, but given conflict with adopted planning policy, notification of intended refusal and the reason(s) for it was given to the agent via email on 09/08/2023.

NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site,

www.planning.inspectorate.gov.uk

2. When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, Town Hall, Main Road Romford, RM1 3BB. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
3. If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
4. In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
5. The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
