APPLICATION NO: P0556.24

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **REFUSE PLANNING PERMISSION** for the following development :

Proposal: Erection of a two storey end of terrace dwelling house adjoining 16 Simpson Road and part single storey and part two storey rear extension to 16 Simpson Road

Location: 16 Simpson Road
Rainham

The above decision is based on the details in drawing(s):

10-151023-002

10-151023-013

10-151023-014

10-151023-015

10-151023-016

for the following reason(s):

- 1 The layout of the development would be inadequate resulting in substandard accommodation for future residents through insufficient internal space with regards to bedroom sizes, thereby giving rise to a poor quality residential environment, harmful to the amenities of the occupiers. As a result, the development would be contrary to Policy 7 of the Havering Local Plan and Policy D6 of the London Plan.

- 2 The proposed development would, by reason of its height, positioning close to the side boundary, bulk and mass, appear as a dominant and visually intrusive development, which would unduly enclose the street scene at this prominent location and would also give rise to a form of development which is at odds with the prevailing character of development in the locality, thereby materially harmful to the character and appearance of the surrounding area, contrary to Policy 7 and 26 of the Havering Local Plan.
- 3 The proposal would provide no parking for the new dwelling leading to an increased demand for on-road parking in the area to the detriment of the safety and functioning of the highway contrary to Policy 24 and 26 of the Havering Local Plan and Policy T6 of the London Plan.

INFORMATIVE(S)

- 1 Statement Required by Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015: Consideration was given to seeking amendments, but given conflict with adopted planning policy, it was necessary to issue a decision as close to the statutory timeframe as possible as opposed to seeking amendments which would have significantly delayed the application.
- 2 The proposal, if granted planning permission on appeal, would be liable for the Mayor of London and Havering Community Infrastructure Levy (CIL). Based upon the information supplied with the application, the Mayoral CIL payable would be £2207.50 based on £25.00 per square metre and the Havering Community Infrastructure Levy (HCIL) would be a charge of £13,245 based on calculation of £125 per square metre. Each would be subject to indexation.

Further details with regard to CIL are available from the Council's website.

NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site,

www.planning.inspectorate.gov.uk

2. When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, Town Hall, Main Road Romford, RM1 3BB. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
3. If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
4. In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
5. The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
