APPLICATION NO: P1026.24

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **REFUSE PLANNING PERMISSION** for the following development :

Proposal: Loft conversion with rear dormer, and front and rear rooflights
Location: 17 Compton Avenue
Romford

The above decision is based on the details in drawing(s):

LC02

LC04

LC07

Location Plan

for the following reason(s):

- 1 The proposed rear dormer would, by reason of its design and excessive bulk appear out of scale and character with the existing dwelling and the surrounding garden scene. The rear dormer would represent a visually intrusive form of development from the perspective of both adjacent neighbours at No's 15 and 19 Compton Avenue harmful to their ongoing residential amenity contrary to Policies 7 & 26 of the Havering Local Plan and the Council's Residential Extensions and Alterations SPD (2011).
- 2 The proposed part hip-to-gable conversion would unbalance the existing symmetry of the

semi-detached pair of dwellings harming both the character of the pair and the surrounding street scene. This would introduce an incongruous and contrived design to the roof of the dwelling inconsistent with the established form of development to roofs of neighbouring dwellings along Compton Avenue appearing as a visually intrusive feature in the street scene harmful to the appearance of the surrounding area contrary to Policies 7 and 26 of the Local Plan and the Council's Residential Extensions and Alterations SPD.

INFORMATIVE(S)

- 1 Statement Required by Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015: Consideration was given to seeking amendments, but given conflict with adopted planning policy, notification of intended refusal and the reason(s) for it was given to the agent via email on 13/09/2024.

GENERAL DEVELOPMENT PROCEDURE ORDER 1995

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at

www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and

Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
