PL-6210_31A

subject to compliance with the following condition(s):

Note to Applicants:

Please take the time to read the conditions stated below carefully. Some may require you to seek

the Council's approval prior to works beginning on site. The approval process can take a further 8 weeks from the date of submission and you are advised to incorporate this into your timetable.

*Please also check the informatives below to verify whether the scheme is liable for the Mayoral Community Infrastructure Levy. If the scheme is liable, **you are required to give notice of commencement in advance** so that a Demand Notice can be sent to you or any other person(s) that has/have assumed liability. The Levy is payable within 60 days of commencement. **If you are intending to claim self-build, social housing or charitable exemption, you must do this before development commences otherwise any exemption request will be disqualified.***

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 All new external finishes shall be carried out in materials to match those of the existing building(s) to the satisfaction of the Local Planning Authority.

Reason:-

To safeguard the appearance of the premises and the character of the immediate area.

- 3 The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans (as set out on page one of this decision notice).

Reason:-

For the avoidance of doubt and to ensure that the development is carried out as approved.

- 4 The window inserted on the bathroom to the front elevation at first floor level shall be obscure-glazed, and non-opening unless the parts of the window which can be opened are more than 1.7m above the floor of the room in which the window is installed.

Reason - In the interest of privacy and to protect the amenity of the adjacent neighbours

- 5 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, no window or other opening (other than those shown on the submitted and approved plan,) shall be formed in the flank wall(s) of the building(s) hereby permitted, unless specific permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In order to ensure a satisfactory development that will not result in any loss of privacy or damage to the environment of neighbouring properties which exist or may be proposed in the future.

- 6 The roof area of the extension hereby permitted shall not be used as a balcony, roof garden or similar amenity area without the grant of further specific permission from the Local Planning Authority.

Reason:-

In the interests of the amenity of the occupiers of neighbouring dwelling.

- 7 The hard surface hereby approved (including any sub-base) shall be made of porous materials or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwellinghouse.

Reason:-

In order to ensure no water run-off from the hard surface which would contribute to risk of flooding

INFORMATIVE(S)

- 1 Statement Required by Article 35(2) of the Town and Country Planning (Development Management) Order 2015: No significant problems were identified during the consideration of the application, and therefore it has been determined in accordance with paragraph 38 of the National Planning Policy Framework.
- 2 The proposal is liable for the Mayor of London Community Infrastructure Levy (CIL). The Mayoral CIL levy rate for Havering is £25/m and is chargeable for each additional square metre of residential gross internal (GIA). Based upon the information supplied with the application, £2,750 would be payable due to result in a new residential property with 110m² of GIA, however this may be adjusted subject to indexation.

The proposal is also liable for Havering Council's CIL. Havering's CIL charging rate for residential is £125m² (Zone A) **for each additional square metre of GIA. Based upon the information supplied with the application, £13,834 would be payable, subject to indexation.**

These charges are levied under s.206 of the Planning Act 2008. CIL is payable within 60 days of commencement of development. A Liability Notice will be sent to the applicant (or anyone else who has assumed liability) shortly and you are required to notify the Council of the commencement of the development before works begin. Further details with regard to CIL are available from the Council's website. You are also advised to visit the planning portal website where you can download the appropriate document templates at <http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

- 3 For any development where a flood risk is identified, the Council as the Lead Local Flood Authority want to see developers consider and implement flood resilience/resistance measures into the buildings themselves. This is not to stop development but to ensure the protection for future residents is maintained and enhanced.

The following measures are strongly recommended, although this list is not exhaustive:-

- Raising the level of the building by at least 300mm above local levels;
- Waterproof membrane in the ground floor;
- Waterproof plaster and waterproofing to ground floor;
- Electrics from the upstairs down and sockets high up off the ground floor;
- Non return valves on the sewerage pipes;
- Emergency escape plan for each individual property;
- Air brick covers; and
- Movable flood barriers for entrances

- 4 This planning permission does not remove the need to obtain any separate consent of the owner of the adjoining property prior to commencing building works on, under, above or immediately adjacent to their property (e.g. foundations or guttering). The Party Wall Etc. Act 1996 contains requirements to serve notice on adjoining owners of property under certain circumstances, and a procedure exists for resolving disputes. This is a matter of civil law between the two parties, and the Local Planning Authority are not involved in such matters.

A free guide called "The Party Wall Etc Act 1996: Explanatory Booklet" is available on the website of the Department for Communities and Local Government.

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OF APPLICATIONS FOR PLANNING PERMISSION**

**DEVELOPMENT MANAGEMENT PROCEDURE (England) ORDER 2010
TOWN AND COUNTRY PLANNING ACT 1990**

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at

www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and

Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
