Hi Gareth,

The application for the drop kerb was received 02/10/2023. The site was inspected and approved on 09/10/2023. Apologies this is coming late.

Best regards

Subject: P1595.24 - 65 Dunedin Road

Hi Panyun

Hope all is well.

I have had a look at the below and the only concern I have is the distance the proposed crossing is from a bend in the road. However, it does seem a precedent has already been set in this location with multiple dropped kerbs present closer to the bend than the proposed crossing.

However, I have copied in Paul. The AOO for the location who has likely also received an application.

Paul, are you able to advise if an application has been received, and if so, has it been approved?

Many thanks and kind regards

Gareth Nunn | Senior Schemes Engineer
