

OFFICER REPORT FOR DECISION UNDER DELEGATED AUTHORITY

APPLICATION NO: P1307.25

WARD: Hylands & Harrow Lg **Date Received:** 7th October 2025

ADDRESS: 15 Hurstlands Close
Hornchurch

PROPOSAL: Erection of a single storey rear / side extension and reconfiguration of internal space.

DRAWING NO(S): See condition 2 - Householder approved plans

RECOMMENDATION: It is recommended that **planning permission be GRANTED** subject to the condition(s) given at the end of the report

SITE DESCRIPTION

The L-shape detached bungalow is sited on the western side of Hurstlands Close (former known as rear of 92 Harrow Drive). The rear garden backs onto the rear of no. 92 and 94 Harrow Drive (further west).

The property is not a listed building, is not located within a conservation area and is not the subject of any other designations relevant to the assessment of this application.

DESCRIPTION OF PROPOSAL

It should be noted that the agent has provided photographs of the site, showing that the bungalow approved in 2015 has been substantially completed on site. Only the landscaping and the fencing have not been completed to date. As such, the existing dwelling on this site will not form part of the assessment.

As such, planning consent is sought for the erection of a single storey rear / side extension and reconfiguration of internal space.

RELEVANT HISTORY

P0746.14 Refused 8.9.14 and Allowed at appeal subject to conditions and UU for financial contributions 31.3.15 (APP/B54480/A/14/2227815) - Erection of 1no. three-bedroom bungalow with off street parking.

Q0034.18 Discharge of conditions 4, 5, 6, 7, 10 & 12 of planning permission P0746.14 - Approved 4.4.18.

CONSULTATIONS/REPRESENTATIONS

Letters of notification were sent to neighbouring properties.

Three letters of support and one letter of objection were received on the application. The comments made can be summarised as follows:

1. Overdevelopment of the site. The loss of privacy
2. The two rear outbuildings are not shown on the site location plan.

Officer Response

Insofar as they relate to material planning considerations the representations received are responded to in the report below. Photographs also show two outbuildings, which does not form part of the site has been completed to the rear of no. 92 Harrow Drive (ref. P1859.21). It should be noted that planning approval was granted for a pair of semi-detached properties with two rear outbuildings. However, no grounds have been raised which would represent a reasonable basis for a refusal of planning permission.

RELEVANT POLICIES

National Planning Policy Framework (2025)

National Planning Practice Guidance

London Plan (2021) policies: D1 - London's form, character and capacity for growth; D4 - Delivering good design; and T6 - Car parking

Havering Local Plan (2021) policies: Policy 7 - Residential design and amenity; Policy 24 - Parking provision and design; and Policy 26 - Urban design

Havering Residential Extensions and Alterations Supplementary Planning Document (SPD) (2011)

PRINCIPLE OF DEVELOPMENT

The principle of altering and extending the existing dwelling is considered acceptable and policy compliant, subject to the proposal appropriately addressing the relevant detailed planning considerations.

DESIGN/IMPACT ON STREET/GARDEN SCENE

Local, London-wide and national planning policy and guidance seeks to ensure that new development is well designed. Good design is a key aspect of sustainable development, creates successful places in which to live and work and helps make development acceptable to

communities. Development plan policies seek to ensure that new development is designed so that it respects the distinctive identity and character of the site and area, is of a high architectural quality, provides site specific design solutions, reinforces and complements the streetscene, responds to local patterns of development and respects the visual integrity and established scale and massing of the site and wider area. It also supports the use of high-quality materials that integrate with surrounding buildings. The Havering Residential Extensions and Alterations SPD provides further guidance on how an appropriate design can be achieved.

It is found that the design, size, siting and scale of the development are such that it would not result in any significant harm to the character and appearance or overdevelopment of the site, the streetscene nor the area more widely. The development is considered to be acceptable and compliant with the objectives of the relevant planning policy and guidance in these regards.

IMPACT ON AMENITY

Local, London-wide and national planning policy and guidance seeks to secure development which protects amenity. Policy 7 of the Havering Local Plan identifies that development should be of a high design quality that ensures the amenity and quality of life of existing and future residents is not adversely impacted. To protect amenity the Council will support developments which do not result in unacceptable overlooking or loss of privacy, outlook, daylight and sunlight. The Council will also support development which does not cause unacceptable levels of noise, vibration and disturbance. Further advice on how to achieve these objectives is provided in the Havering Residential Extensions and Alterations SPD.

It is considered that the design, size, siting and scale of the development proposed are such that it would not result in any impacts on the amenities of the site, neighbouring occupiers nor the wider area to a degree that would justify a refusal of planning permission. The proposal is found to be acceptable and compliant with the objectives of the relevant planning policy and guidance in these respects.

HIGHWAY/PARKING

Policy 24 of the Havering Local Plan sets out the appropriate parking standards for different parts of the borough and states that where a development proposal would result in a net loss of car parking spaces the applicant will be required to demonstrate that there is no need for them. It also identifies that the Council will support proposals which consider the location and layout of parking provision as an integral part of the design process, site parking close to people's homes in areas with natural surveillance and provide appropriate landscaping, that visually screens car parking to the front of dwellings. The design and layout of the development is not found to result in any significant parking or highways impacts, it is therefore acceptable and policy compliant in these regards.

OTHER ISSUES

Equality and Diversity:

The Equality Act 2010 (as amended) imposes important duties on public authorities in the exercise

of their functions and specifically introduced a Public Sector Equality Duty. Under this duty, public organisations are required to have due regard for the need to eliminate unlawful discrimination, harassment and victimisation, and must advance equality of opportunity and foster good relations between those who share a protected characteristic and those who do not. In considering this application and preparing this report officers have had careful regard to the requirements of the Equality Act 2010 (as amended). They have concluded that the decision recommended will not conflict with the Council's duties under this important legislation.

Other Matters:

The development is not liable for a payment under the Havering or Mayoral Community Infrastructure Levy regimes, as it is for an alteration to an existing dwelling and the quantity of new floorspace created is less than 100m². This application is exempt from Biodiversity Net Gain requirements as it is householder development.

KEY ISSUES/CONCLUSIONS

The proposal is found to be acceptable and compliant with the objectives of the relevant planning policies and guidance. The proposal would not significantly harm the character and appearance of the site, the street scene or the surrounding area. The proposal's residential amenity and highways impacts are also considered to be acceptable. As there are no other material planning considerations which would justify reaching a different conclusion, it is recommended that planning permission is granted subject to conditions.

RECOMMENDATION:

It is recommended that **planning permission be GRANTED** subject to the following condition(s)

1 Householder 3 years

The development hereby permitted shall begin no later than three years from the date of this decision.

Reason

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990.

2 Householder approved plans

The development hereby permitted shall not be carried out otherwise than in complete accordance with the following approved plans: PI_6371_01, PI_6371_05, PI_6371_06 and PI_6371_07.

Reason

For the avoidance of doubt and to ensure that the development is carried out as approved and is compliant with development plan policy.

3 Householder Materials

Before the development hereby approved is occupied, the materials used on the external surfaces of the development must match those used on the external surfaces of the existing

property. This applies unless differences are shown on the drawings hereby approved or are required by other conditions on this permission.

Reason

To ensure the development is carried out in accordance with the consent sought, has an acceptable design and complies with policy 26 of the Havering Local Plan (2021)

4 Householder flank window

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, nor any Statutory Instrument which amends, removes or replaces that Order, no window or other opening (other than those shown on the submitted and approved plans) shall be formed in the flank walls of the development hereby permitted without the receipt of a specific planning permission for it from the London Planning Authority.

Reason

To protect the amenities of neighbouring occupiers and ensure the development complies with policy 7 of the Havering Local Plan (2021)

INFORMATIVES

1 Householder informative Proactive Statement

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material planning considerations, including planning policies and any representations which were received. It subsequently determined to grant planning permission in accordance with the National Planning Policy requirement that applications for sustainable development are approved where possible. A detailed analysis of the scheme is set out in the report on the application prepared by officers.

2 Householder Informative Building Regs

Building Regulations

You are reminded that this decision notice only addresses requirements under Planning Legislation. You also need to check that whether or not the development requires consent under the Building Regulations, as this is an entirely separate process. Further information on the requirements of the Building Regulations can be found at:
[https://www.havering.gov.uk/building control](https://www.havering.gov.uk/building%20control).

3 Householder Informative Party Wall Act

Party Wall Act

You are reminded that this decision notice only addresses requirements under Planning Legislation. You also need to check whether or not the development necessitates an agreement under the requirements of the Party Wall etc. Act 1996, as this is an entirely separate process. Further guidance on the Party Wall etc. Act 1996 can be found at:
<https://www.gov.uk/housing-local-and-community/party-walls>.
