Planning Design & Access Statement

subject to compliance with the following condition(s):

Note to Applicants:

Please take the time to read the conditions stated below carefully. Some may require you to seek

the Council's approval prior to works beginning on site. The approval process can take a further 8 weeks from the date of submission and you are advised to incorporate this into your timetable.

*Please also check the informatives below to verify whether the scheme is liable for the Mayoral Community Infrastructure Levy. If the scheme is liable, **you are required to give notice of commencement in advance** so that a Demand Notice can be sent to you or any other person(s) that has/have assumed liability. The Levy is payable within 60 days of commencement. **If you are intending to claim self-build, social housing or charitable exemption, you must do this before development commences otherwise any exemption request will be disqualified.***

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 The proposed development hereby approved shall be constructed in accordance with the materials detailed on Page 7 of the Planning Design & Access Statement accompanying this application unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that the appearance of the proposed development will harmonise with the character of the surrounding area.

- 3 The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans (as set out on page one of this decision notice).

Reason:-

For the avoidance of doubt and to ensure that the development is carried out as approved.

- 4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, no window or other opening (other than those shown on the submitted and approved plan), shall be constructed or inserted in the walls of the building hereby permitted, unless specific permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In order to ensure a satisfactory development that will not result in any loss of privacy or damage to the environment of neighbouring properties which exist or may be proposed in the future.

- 5 The annexe hereby permitted shall not be arranged or disposed of as a separate unit of residential accommodation from the use of the main dwelling.

Reason:-

In order that the annex approved remains ancillary to the main dwelling and that the development accords with the Havering Local Plan.

- 6 The garden area shall not be sub-divided at any time.

Reason:-

In order that the annex approved remains ancillary to the main dwelling.

- 7 Any residential occupation of the building hereby approved shall be limited to a close relative of the occupiers of the main dwelling and shall not be occupied by any other persons.

Reason:-

In order that the annex approved remains ancillary to the main dwelling.

- 8 Any boilers installed in the dwelling(s) hereby approved shall be Ultra-Low NOx boilers with maximum NOx Emissions less than 40 mg/kWh. Where any installations do not meet this emissions standard it should not be operated without the fitting of suitable NOx abatement equipment or technology as determined by a specialist to ensure comparable emissions. The installation of the boilers shall be carried out in strict accordance with these details and shall thereafter be permanently retained.

If the heating strategy is to be provided by an Air Source Heat Pump, or similar, they shall be designed to comply with the provisions of the Microgeneration Installation Standard: MCS 020 "MCS Planning Standards for Permitted Development Installations of Wind Turbines and Air Source Heat Pumps on Domestic Premises". The air source heat pumps shall be provided on site prior to first occupation of the dwellings. Any installation not meeting this standard will require a separate application for planning permission.

Reason: To reduce impact on building emissions on local air quality and to ensure any air source heat pumps installed maintain amenity.

OF APPLICATIONS FOR PLANNING PERMISSION**

DEVELOPMENT MANAGEMENT PROCEDURE (England) ORDER 2010
TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at

www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and

Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £116 per request (or £34 where the related permission was for extending or altering a dwellinghouse) will be required.
