Planning Statement

85 Nelmes crescent, Hornchurch RM11 2PP

The existing property is a two Storey detached house in a residential road setting.

The proposal is for a ground and first floor rear/side extension.

The new extensions will provide additional living and Bedroom accommodation.

The new extensions will be finished with facing brickwork to match that of the existing property.

The new extensions will have a tiles roof to match the existing and flat roof to the ground floor rear extension.
