EUROGUARD® COMBI A1 (SR1)

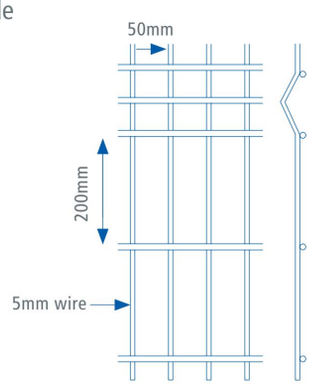

Jacksons Fencing

EuroGuard® Combi A1 (SR1) LPS 1175 fencing brings our experience and reputation in steel and timber fencing and gates together in a design that combines natural wooden slats with the strength of steel mesh.

The combination of robust welded mesh panels and closely spaced, substantial timber slats provide a flat facing surface with no foot or hand holds.

- LPS 1175 A1 (SR1) Approved
- Secured by Design Preferred Specification
- Jakcure® treated timber slats
- **25-year service life guarantee**

Mesh detail

APPLICATIONS

✓ Commercial premises

✓ Medium risk

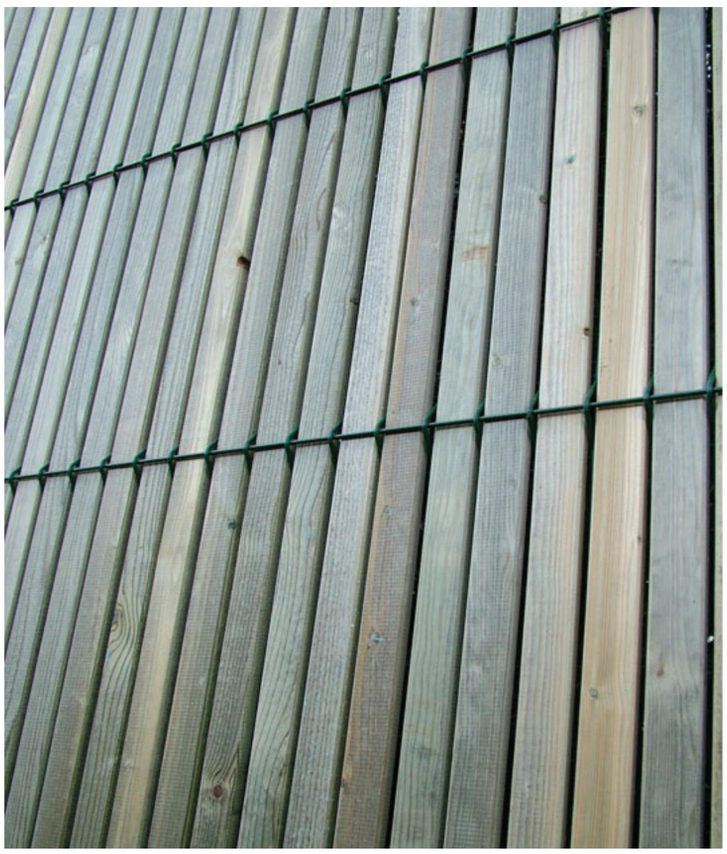

✓ Schools
